## 3. Region 7 Director's new projects

- I have proposed a change (following the article 3:09-B EUROPE : By-law committee - Article 8 - Amendment) concerning the EUROPE article 3:10 Vacancy (if a position of the European Board is open). My proposal is to follow the International article 3:05 Vacancy.
- Visit Norway 1 : this chapter is far away from the other chapters. My last experience with Croatia 1 proved it's important to have a face to face contact with isolated chapter to motivated them to visit other chapters and join the group during European event. I want to take contact and visit this chapter during 2017.
